Japan. Even better shared.

Get $2,000 AUD / $2,400 NZD off a 2026 Small Group Tour when you travel as two.

- OFFER ENDS SEPTEMBER 30TH 2026

Get $2,000 AUD / $2,400 NZD off a 2026 Small Group Tour when you travel as two. Because we believe Japan is even better shared. Split the cost and share the savings, or keep it all to yourself (*evil laugh*).

Exploring Japan as a duo makes it doubly fun. Sync up for a karaoke duet in Osaka, compare fortune slips at a shrine (with your Insider guide translating) or battle each other on the claw machines in a Tokyo arcade.

Then, there's that extra $2,000 AUD / $2,400 NZD to spend – however you like. Add on a few extra nights post tour, treat your friend to one of Tokyo's 180 Michelin-starred restaurants or, if you're feeling especially hungry, that's enough to cover 2,000 plates at a conveyor belt sushi restaurant!

Pick your partner in crime, select the tour you want to travel on, and decide whether you share the savings (or take the money and run). Just book by 31st August, and travel before 31st December 2026.

Only in Japan. Only in Autumn.

Bag a free experience worth $750 (AUD) / $900 (NZD) when you travel with us this autumn.

- OFFER ENDS SEPTEMBER 30TH 2026

Forget New England and Canada, Japan is one of the world's top-rated destinations to see the autumn leaves, and we think it comes out top, every time. Maple trees turn deep crimson, framing temples in Kyoto. Yellow ginkgo line Tokyo streets, and beech trees burn orange across the northern forests.

So book a tailor-made Japan holiday for travel between October and December this year, and we'll throw in a bonus experience worth up to $750 AUD / $900 NZD, at no extra cost. The choice is yours... while spaces last!

PICK FROM...

- Half a day with your own private Insider guide
- Tea hosted by a geisha in Kanazawa or Kyoto
- A private evening food tour in Tokyo or Osaka
- Walk Kyoto's Gion geisha district with a local guide
